Explanatory Note

(This Note is not part of the Instrument and does not purport to be a legal interpretation.)

These Regulations replace the Merchant Shipping (Pleasure Craft) (Lifejacket and Operation) (Safety) Regulations, 2004 (S.I. No. 259 of 2004), so as to provide for an increase (from €127 to €150) in the fixed payment in lieu of prosecution, if appropriate, in relation to an alleged contravention of the Regulations. IMO SOLAS/EU Marine Equipment Directive (MED) marked personal flotation devices are included under the definition of a “suitable personal flotation device” in these Regulations.

Otherwise, the new Regulations continue in force the existing national provisions governing the operation of pleasure craft including personal watercraft, including provisions relating to age restrictions, the carriage and use of personal flotation devices and restrictions on the use of alcohol and drugs.

Section 47(2) of the Maritime Safety Act 2005 (No. 11) provides for a fixed payment of €150, or such other amount as may be prescribed by Ministerial Regulations, in relation to an alleged contravention of Regulations under section 20 of the Merchant Shipping Act 1992 (No. 2) (as amended by section 47(1) of the 2005 Act), in lieu of prosecution, if appropriate.
